Guiding Experience and Information Sheet

Please answer the following questions. Use a separate sheet of paper if necessary.

1) If you are not currently working, what are you doing? If you are currently working, how do you plan to balance your current job with the unpredictable schedule of a guide?

2) What current First Aid certifications and/or rescue certifications do you hold?

3) Many of our trips require being away from home for days or even weeks at a time. Some do not. Which are you interested in? Do you have any responsibilities that will not allow you to be away from home for extended periods (i.e. pets, gardens, etc.)?

4) Describe your driving experience. (Vehicles, trailers, citations, accidents, etc.)

5) List your familiarity with Ouzel's rivers. (Rogue, Lower Main Salmon, Deschutes, Owyhee, North Umpqua, McKenzie, John Day) How many trips? What was your role on these trips?

6) Ouzel primarily uses paddle boats without a stern frame as its guest vehicle. We use gear boats (very heavily loaded) to carry gear on multi-day trips. List your familiarity with Ouzel's boats. What trips? How many in each? Please rate your experience as a paddle captain and/or oarsman.

7)If you have guided before, for what other river companies and on what rivers have you worked? When? How long? Who was your supervisor? What were the circumstances of your departure?

8)Are you currently licensed for guiding in any other state?

9)What specific skills, hobbies, or training do you have to offer our company and guests relevant to guiding? Why would Ouzel pick you, in particular, as a guide?

10)Describe any medical or emotional conditions, or physical limitations you have that may require us to make accommodation for given that our trips take place on rivers remote from medical facilities, and given that river work requires demanding physical and emotional performance in difficult environments and under extreme conditions.

11)We employ many guides less than full-time. What are your financial needs? How much would you need to earn over the course of the summer before you would be willing and able to commit to being available to us?

12)Is there anything else that you would like to tell us about yourself?
